

Introducing **my** **chart**

Your Online **connection to care**

Connect to our FREE patient portal to:

- ◆ Request prescription refills
- ◆ Manage your appointments
- ◆ Securely message your care team
- ◆ Access your medical record
- ◆ Review your lab results

As a patient you are the most important member of your health care team.

MyChart makes it easy and convenient to keep track of your health information and communicate with your doctor's office.

MyChart is a **secure online patient portal** where you can access your medical records and communicate with your Lynn Community Health Center care team online.

See what your provider sees in "My Medical Record"

- Keep track of your medications, lab results, immunizations and more
- Access tips for staying healthy
- Get a summary from your provider visit

Stay in touch with your provider's office

- Send and receive secure messages
- Request prescription refills

Manage your appointments

- Request or cancel an appointment
- View upcoming and past appointments

MyChart is for non-urgent medical concerns. Do not use for emergencies.

Sign up today!

It's as easy as

1

2

3

Parents, you can access your child's medical record by proxy!

- Available for children 0-11 years old
- You will be given a unique access code by your child's provider
- Sign up using the instructions on the next page, but using **YOUR** birth-date and social security number with **YOUR CHILD'S** unique access code.

1 Make sure you have the following things:

Internet Access | Use your smartphone or your computer

An Activation Code | Our office must give you a code to access MyChart for the first time. Tell your doctor if you are interested.

Your Birth Date and **the last 4 digits of your social security number**

Please ask what we have on file for you if you are unsure. **If your social security number is not in our files, please use 9999 instead.**

2 Visit www.lchcnet.org/GoMyChart and click on the "I'm ready! Sign me up!" button.

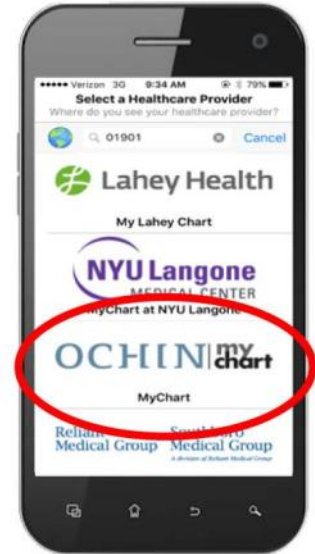

3 Sign up for MyChart through OCHIN MyChart Lynn Community Health Center's partner organization

A screenshot of the OCHIN MyChart sign-up form, presented as if on a clipboard. The form is titled "Please Identify Yourself" and is "Step 1 of 3". It includes three main input sections: "MyChart Activation Code" with a field for a code (xxxxx-xxxxx) and instructions to enter it as it appears on an enrollment letter; "Social Security Number (Last 4 Digits)" with a field for four digits (nnnn) and instructions to enter the last four digits; and "Date of Birth" with fields for month (mm), day (dd), and year (yyy) separated by slashes, with instructions to use four digits for the year. A green "Next" button is at the bottom, and a link for "Ver en Español" is in the top right corner. A footer note says "No Access Code? Contact your clinic to sign-up."

Check out the MyChart mobile app!

Once you sign up you can use MyChart on your smartphone with a free app:

- Visit your App Store and search “Epic MyChart”
- Download the App
- Open the app and When you are prompted to choose a provider search for “OCHIN MyChart.”
- Log in using your username and password
